WHAT YOU NEED TO DO!

- Ensure that your policies are established and consistent
- All Tenant Selection Plans for HOTMA need to be in place by 5/31/24
- Get training for HOTMA and 203A, if you can, and read the Notices
- Read through the following slides to get a better understanding on when and when not to do an Interim Recertification (IR)
- Follow EPS' website for new items added! www.epstracsservices.com

HSG Notice 2023-10 (updated 2/5/24) - [Implementation Guidance: Sections 102 and 104 of the Housing Opportunity Through Modernization Act of 2016 \(HOTMA\)](#) still has the original Issue Date of 9/29/2023, but this updated Notice includes many revisions to HOTMA guidance then was in the original September notice.

IS THE HOUSEHOLDS ADJUSTED ANNUAL INCOME INCREASING?

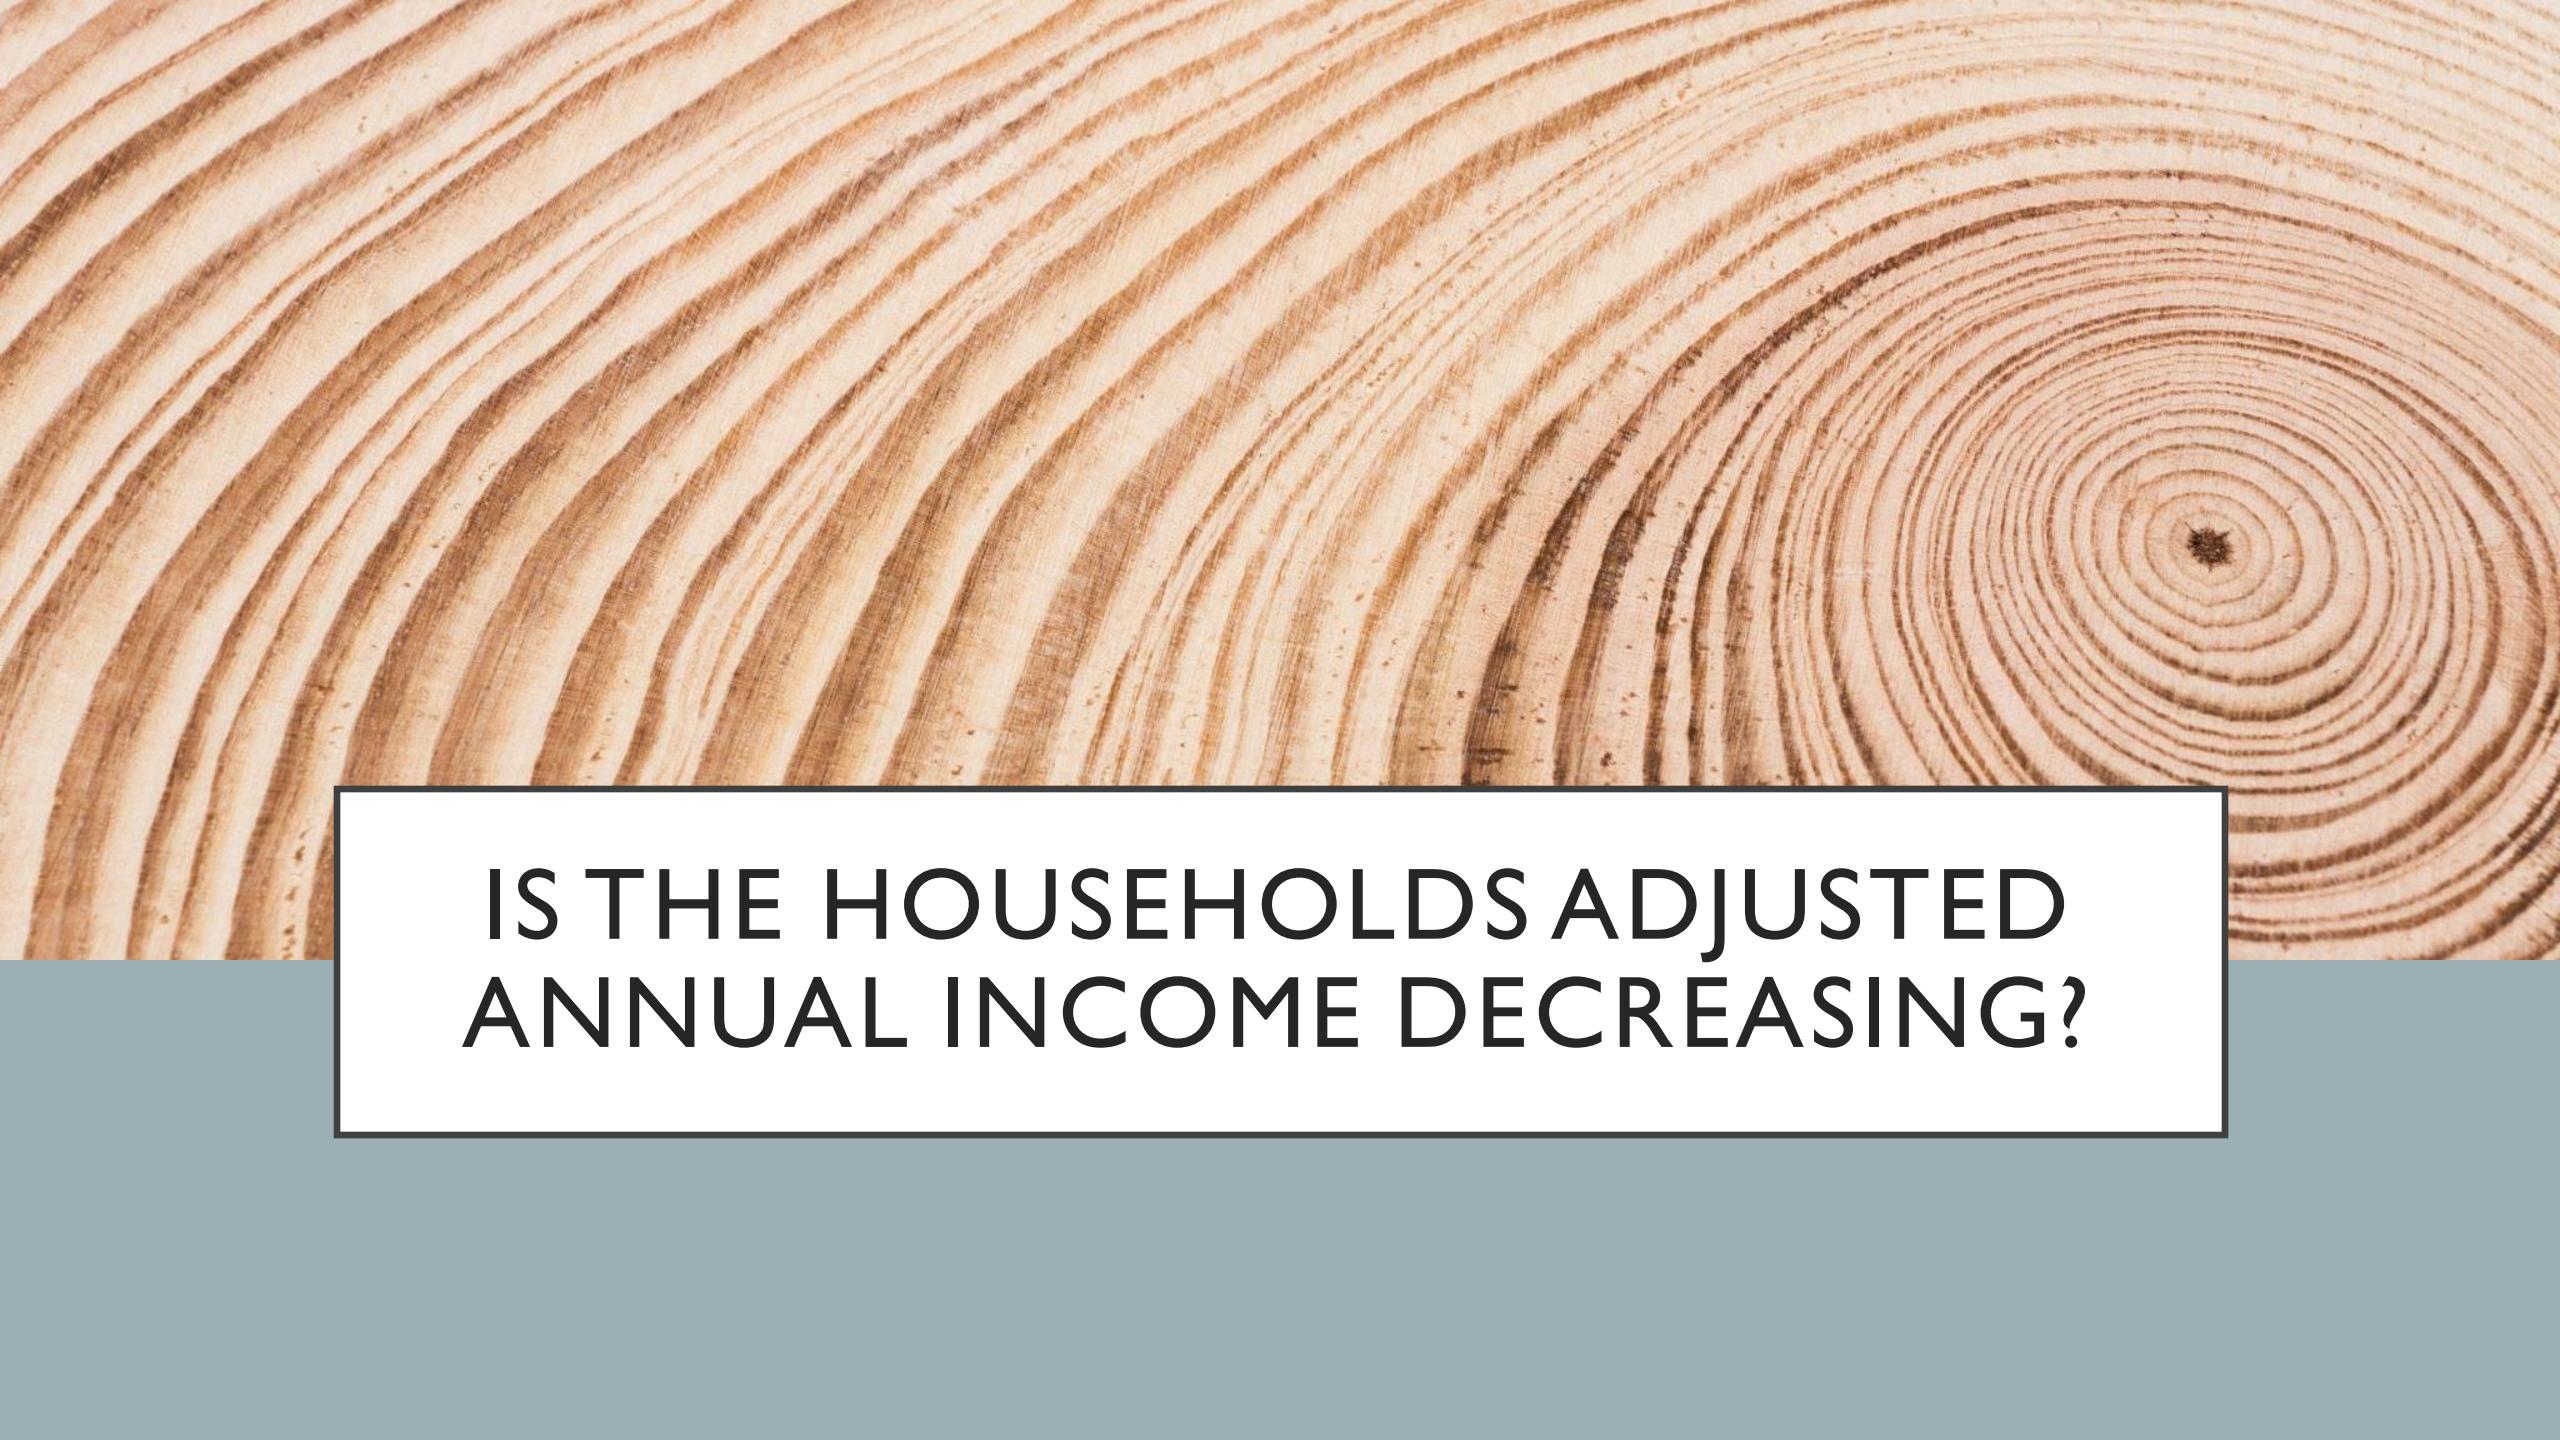

- Is the increase due to removal of a family member?
 - Yes! – Do an OC cert
 - No! – Continue to next Question
- Is the increase within 3 months of the next AR? (When the O/A has elected to not doing an IR so close to the AR):
 - Yes! – If timely, document on file for AR. If not timely, go to the next Question
 - No! – Continue to next Question

IS THE HOUSEHOLDS ADJUSTED ANNUAL INCOME INCREASING?

- Is the increase less than 10% for the adjusted annual income?
 - Yes! – if no previously reported changes during AR cycle, and still less than 10%, do an OC cert
 - No! – if the combined changes through AR cycle are more than 10% go to next Question
- Is the increase due to earned income?
 - Yes! – go to next Question. As this is something completely different, that earned and unearned income need to be separated out to determine the next course of action.
 - No! – complete an IR

IS THE HOUSEHOLDS ADJUSTED ANNUAL INCOME INCREASING?

- Has an IR occurred that reduced rent since last AR?
 - Yes! – go to next Question
 - No! – if no prior decrease in AR cycle, then do not complete an IR as earned income, not unearned income is over 10%. Document in the file. Increase in Earned Income does NOT generate an IR!
- Does the OA have a policy to complete an IR when a decrease has been done?
 - Yes! - if policy to do an IR after a decrease in the AR cycle, then do an IR
 - No! - if there is no policy, then can't do another IR after a decrease, so document the file.

IS THE HOUSEHOLDS ADJUSTED
ANNUAL INCOME DECREASING?

IS THE HOUSEHOLDS ADJUSTED ANNUAL INCOME DECREASING?

Is there a decrease in family size?

- Yes! – do an IR
- No! – go to next question

Has the OA selected a percentage that is less than 10%?

- Yes! – if the decrease is equal or more than the selected percentage, do an IR
- No! – if still at 10%, then go to next question

IS THE HOUSEHOLDS ADJUSTED ANNUAL INCOME DECREASING?

Is the decrease in adjusted annual income at least 10%?

- Yes! – do an IR
- No! – go to next question

Does the decrease include additional family member?

- Yes! – so if less than 10% or selected percentage, and family addition, do an OC cert
- No! – if less than 10% or selected percentage and no addition, no IR and document

IS THE HOUSEHOLDS ADJUSTED
ANNUAL INCOME THE SAME?
